Communications

- *Website is updated and will continue with updates as new information and senior banners come in*

Sponsorship: Kyle will be in and out during the meeting, but he did share some information at B2S night that could help us get started on Sponsorship Reach Outs – reach out to previous donors and then move outward from there (I.E. Owl Fire Dept (Jen checking with Bobby), Local Dealerships, local Businesses (ie, dentists, drs, etc)

State Farm reached out to Kyle today and wants to sponsor a team, will share his sponsorship letter, and how he frames sponsorship with folks, basically gets them to pay for everything.

50/50 Raffle at Football Games – How do we sell them to Adults only? Homecoming? Rachel to check with some folks that she knows who have done it before. We need 5 adult volunteers to help run the 50/50 – put in bridge bulletin – next week to ask for interested parent volunteers. Jeremy (Vball parent) had some great suggestions about QR Code.
