

GENERAL MEETING MINUTES VIKINGS ATHLETIC BOOSTER CLUB October 8, 2026

Voting Board Members in attendance Becky Yovich, Jen Pereira, Tia Garriss

Non-Voting Board Member – Rachel Freeman

Meeting called to order by Jen Pereira at 703pm

Approval of Meeting Minutes – Jen asked for a motion, Becky motioned, Tia Seconded, Jen approved.

Concessions (presented by Jen Pereira in Absence of Mya): Concessions is going well, Friday 10/9 is 8th Grade Night at the game, so they are expecting ~100 additional students at the game, additional food will be prepared over the normal amount to account for this. Cheer Competition went well for them, they made \$2K in Concessions, plus tickets and more. The 50/50 raffle however was not successful with \$15 profit. Tabling 50/50 discussion at this time. Still need additional volunteers for Concessions for Homecoming and Senior Night. The Field Tent is Covered for drinks/spirit wear, and one additional parent has signed up for homecoming, however, we still do not have full coverage in the concessions stand for either night. Jen to reach out to Kyle to make a push to help engage more volunteers for those events. Not much more left for Fall – Volleyball only has 2 games, and 4 more for football between JV & Varsity.

Treasurer's report by Becky Yovich: Bal of almost \$25k – we have made about 5K this year so far, including the Pepsi Deposit which is normally applied to scholarships later in the year, Spirit Store Sales, and Concessions. Taxes are done. Checks have been cut for cheer and field hockey fundraisers to those organizations. Becky asked about the Senior Banners invoice, Jen said that she was ready to send the last of the fall sports banners (Boys Volleyball, and missing football, etc.) and then they will give an invoice for the banners and also the senior signs.

Spiritwear Report by Jen Pereira – Tutus and Bandanas – Jen checked with Kyle and he gave the ok for selling the bandanas as there had been a question regarding if these were allowed based on a previous year where they were not. Jen ordered 100 of each color, using Amazon, so could be returned if not approved.

Sock Sales are going well – over 25 pairs sold so far. 120 is how many were purchased because that was the minimum. Senior signs are in, all but 20 have been printed (we ordered 200 total), but will probably be ready when she prints up the banners. Fall Senior Banners are all hanging except Boys Volleyball senior night is next week, she's sending those over tonight, and looking at blankets to maybe get them in in time for homecoming (or playoffs). Might need to order more M Green Hoodies Soon, we have one left.

Fundraising Discussion: 50/50 – Cheer only made \$15, we have to decide if we're going to do it. It was decided it is not worth the work. Spirit nights were also decided against at this time as the Chipotle night last year only made something like \$68 last year.

Sponsorship Forms – Becky updated based on the forms provided and created a more ala carte vs. tiered approach. Form and approach were agreed to and Jen and Rachel both took some to pass out.

Communications – Website is updated and will continue with updates as new information and senior banners come in. Jen to add Senior banners the week of the senior nights, these will also be shared to social media. Discussion regarding how we better advertise the monthly meeting – Jen indicated there is a scheduling feature on the website, which will also post to social media that can be used, and then Tia can share to the WSHS Parent group as well. Also to be added to the Bridge Bulletin.

Jen opened the floor for additional topics, none were brought up.

Motion to adjourn the meeting at 755pm by Jen Pereira, Seconded by Becky.
